30 Regent Street, Eight Mile Plains

We have known Helen for long enough now that she has become like family. While we have previously recommended Helen to other people who have been delighted with her service, it took some time for us to take the plunge. Helen waited patiently and quietly on the sidelines until we decided to finally take the leap and sell our family home. We wouldn't have trusted anyone else with our very emotional sale and, as expected, she didn't disappoint. Helen's level of professionalism and knowledge is equalled by her integrity and we love her calm and patient manner which kept us calm throughout this process. We cannot recommend Helen highly enough to anyone who is thinking of selling or buying real estate.

We have followed Helen for a few months before landing our dream home in the Southside of Brisbane. Her properties are always of a high standard, with beautiful photos and very accurate 3D images. We found Helen to be friendly, encouraging, approachable, & accessible during the times we needed advice and information. Helen made an effort to get to know us as people, instead of just as potential buyers. She met my extended family and they loved her too. Helen and the HRE team have an amazing level of professionalism and they won't let you down. Highly recommend this group!
