A massive thank you to Helen and team, it has been an absolute pleasure working with Helen over the years both as a prospective buyer and more recently as a seller. Helen takes the time to get to know you and your family and understand your needs and what works best for your lifestyle when looking at purchasing a home. I worked with Helen on the sale of our home recently and we were supported and guided throughout our entire selling journey. Helen also went out of her way to help with the preparation of our open homes (she may have even unpacked my dishwasher! Either that or a secret dishwasher fairy while I was out ;) and left us thoughtful notes and gifts after each open home which attests to her kind and generous personality. I deeply enjoyed working with Helen and highly recommend her personalised and genuine care and high service level.
