Selling Mum's home due to her passing was emotional. It has been our family home for over 75 years with all 5 of us kids born there, so we needed someone who'd handle it with care. Helen and her team at Happy Real Estate were amazing. Helen's communication was 100%, her passion and thoughtfulness came through in every step, and her sales skills are top-notch. She made everything seamless during this really hard time. Hardworking doesn't even cover it — she went above and beyond. We couldn't have asked for better support. Thank you, Helen

Helen Peng and her team were amazing from start to finish. Mum built our family home which had been in our family for over 75 years. Selling it after such a huge loss was incredibly emotional, but Helen was thoughtful, compassionate and respectful throughout. Her professionalism, honesty and genuine care made a difficult time much more easier. We are truly grateful for everything she did and would highly recommend Helen and her team.
